•The beer numbers above identify how many different beers (draught/bottle) must be drank to achieve that level. Drinking the same beer from draught and/or bottle counts as a SINGLE beer.

•The Broken Barrel Tavern promotes Responsible Drinking so no more than 5 beers will be counted towards your Brew Crew total in a single business day.

•There is a \$5.00 fee to join the Broken Barrel Brew Crew and all monies go to the Toys for Kids.

•Membership can be changed/revoked/cancelled at any time by the Broken Barrel Tavern Management.

•Tracking your progress is easy with the iPhone app, Android app or our web site. You can see your beers, rate them, or add them to your wish list. Adding them to your wish list makes them easier for the management to update your Brew Crew entries.
